Meeting 2 Notes

- We decided that mockup A was preferred over mockup B
- The chosen font is exactly what we discussed
- Move the golden border on the top to be the background color of the footer on the bottom of each page
- Add footer information
- Make the menu bar solid red background and make sure the text is easy to read over it
- No video was found of the actual shredding at the proper angle to be the background of the home screen
- Decided to use still images instead to give the viewer a better visual of the art piece
